This civil action is brought pursuant to Fair Labor Standards Act ("FLSA") which permits an employee to bring suit for violations of the FLSA against an employer for and in behalf of himself and other employees similarly situated. The Plaintiffs named herein have been deprived of overtime-rate compensation for the entirety of their employment with the City of Jackson, Mississippi ("City") in violation of the FLSA. As set forth below, the named Plaintiffs

and others similarly situated have been unlawfully compensated for overtime work by the City with the City only paying the Plaintiffs' regular non-overtime wages for overtime hours worked. The City has further violated the FLSA by failing to pay separated employees accrued wages owed to them. The City has additionally violated the FLSA by not keeping adequate employment records and time logs. As a result of these violations of the FLSA, the Plaintiffs named herein desire to join in a collective action against the City with other employees similarly situated to recover overtime wages and accrued wages owed to them together with actual, special and punitive damages.

COME NOW, the Plaintiffs, Chris Lewis, Taryl Hoskin and Charles Ayers, for and in behalf of themselves and other employees similarly situated, and file this COLLECTIVE ACTION against Defendants, City of Jackson, Mississippi, Tony Yarber in his official capacity as the duly elected Mayor of the City Of Jackson, Mississippi, Gus McCoy, in his official capacity as the Chief Administrative Officer of the City of Jackson, Mississippi, and Denise McKay in her official capacity as the Director Of Personnel Management of the City of Jackson, Mississippi and in support thereof, Plaintiffs would show unto the Court the following, to wit:

JURISDICTION AND VENUE

1. This Court is vested with jurisdiction and venue is proper pursuant to the Fair Labor Standards Act, 29 U.S.C. §216, and the Federal Rules Of Civil Procedure.

COLLECTIVE ACTION

2. Pursuant to the Fair Labor Standards Act, 29 U.S.C. §216, the above named Plaintiffs bring this civil action as a collective action for and in behalf of themselves and employees similarly situated and presently employed by the City Of Jackson, Mississippi and/or previously employed with the City Of Jackson, Mississippi who have sustained damages as a result of the City's violations of the Fair Labor Standards Act.

CLASS CERTIFICATION AND COURT SUPERVISED NOTICE

3. Plaintiffs allege that they are members of a putative class who are the victims of a single decision, common policy and plan carried out by the exact same Defendants in violation of the Fair Labor Standards Act. Sufficient evidence is presently before this Court that there exists a putative class with common claims against Defendants of the same identity with said claims arising from nearly identical facts. Therefore, this Court is vested with the authority to certify Plaintiffs as a conditional class and order that court-supervised notice of this action be given potential class members. As such, Plaintiffs request that this Court certify them as a conditional class and order that notice of this collective action be given to potential class members. Plaintiffs request that the Lusardi Method be immediately ordered so potential class members may come forward and opt in this collective action pursuant to the Fair Labor And Standards Act. Timely certification of a conditional class along with court supervised notice of this action to potential class members will promote judicial economy, prevent duplicative actions and deter issues of res judicata and deprivation of due process. See *Harris v. Hinds County, Miss.*, 2014 WL 457913 (S.D. Miss. 2014) *Lusardi v. Xerox Corp.*, 118 F.R.D 351 (D.N.J. 1987) *Hoffman-La Roche Inc., v. Sperling*, 493 U.S. 165 (1989) *Kaluom v. Stolt Offshore, Inc.*, 474 F.Supp.2d 866, 871 (S.D.Tex.2007).

Said excess hours are accrued overtime hours as defined by the Fair Labor Standards Act and remain presently due to Plaintiffs and similarly situated employees.

13. Defendants have adopted a specific compensatory time policy that violates the Fair Labor Standards Act. Specifically, The Fair Labor Standards Act requires that overtime be paid at a rate not less than one and one-half times the regular rate at which Plaintiffs and similarly situated employees were paid. Defendants

14. Employees who are engaged in public safety, emergency response, or seasonal activities may not accrue more than 480 hours of compensatory time pursuant Fair Labor Standards Act. COUNT ONE

VIOLATION OF THE FAIR LABOR STANDARDS ACT

17. Plaintiffs and other similarly situated persons are non-exempt employees subject to the provisions of the Fair Labor Standards Act thereby entitling Plaintiffs to overtime compensation at a rate not less than one and one-half (1 ½) times the regular rate at which they are compensated.

18. Defendants have specifically violated the Fair Labor And Standards Act by failing to compensate Plaintiffs and other similarly situated employees and/or persons for overtime hours worked in excess of forty (40) hours per week at a rate equal to or greater than one and one half (1 ½) times their regular rate of compensation.

19. Defendants have further violated the Fair Labor Standards Act by not compensating Plaintiffs and other similarly situated persons upon termination of employment for any and all compensatory time earned.

20. Defendants have further violated the Fair Labor Standards Act by not maintaining proper and detailed employment records as required by the Act.

COUNT TWO

PUNITIVE DAMAGES

21. Plaintiffs would show that the City Of Jackson, Mississippi has engaged in a willful pattern and practice of intentionally defrauding, and/or withholding compensatory monies owed to Plaintiffs and similarly situated employees. These intentional acts include a pattern and practice of intentionally failing to maintain proper employment records, time keeping records, payroll records, accounting records and employee compensation records. Plaintiffs would further show that the City has been afforded prior notice of these violations of federal law as well as the tortuous and negligent nature of said acts complained of herein. Plaintiffs allege that the City Of Jackson

has intentionally refused to abide by federal law by knowingly engaging in the acts and omissions complained of above.

22. Plaintiffs would alternatively show that the City Of Jackson is guilty of gross negligence in failing to maintain proper employment records, time keeping records, payroll records, accounting records, employee compensation records and by failing to compensate its employees and other persons pursuant to federal law.

23. The intentional and grossly negligent acts complained of herein warrant an award of punitive damages and attorney's fees so as to punish the City Of Jackson and deter the City Of Jackson, Mississippi and other municipalities from engaging in said acts and omissions in the future.
